

# good, clean fungus.

Our Cocoa Elixir tastes better than the hot chocolate you grew up on. And, thanks to our unique blend of organic mushroom extracts, it's way better for you. Improve white blood cell counts, immune health, cellular integrity, gut health, exercise endurance, and quality of sleep. Our Cocoa Elixir tastes great on its own or added to protein or collagen. It's naturally sweetened, keto-friendly, gluten-free, and non-GMO.
